Minutes of CEA Sketchbook Exhibition and Contest Meeting

March 4, 2022. At 16:30 PM, the meeting was called to order. Present were Guillermo Ariel Gleizer, Ariel Oliver Gleizer and Maximilian Damm.

Item: The minutes of the previous meeting were unanimously approved as distributed.

Item: The Retrieved Golden Idol project. Taking place in South Beach, we got involved with local artists, including Manuel Perez in the conception and production of making a piece of art out of an oversized piece of driftwood in South Beach, Miami Florida. The general idea is to make a statement provoking reactions and activities involving tourists and locals at the beach. Results are being presented in our website and will be updated as we see what development route does the project take.

Item: Building on the success of prior collaborations with CEA, Ariel proposes to sponsor the contest and exhibition of Sketchbooks once again. The exhibition should be held in late-2022 with the artworks made by the students of the Sketchbook course. The board of directors approves the idea. The CRAF team will formalize the sponsorship.

Item: There being no other business, the meeting was adjourned at 16:20 PM.
