Minutes for the suspension of the Piazza delle Vaschette Project meeting

January 16th, 2020. At 4:00 PM, the meeting was called to order. Present were Guillermo Ariel Gleizer, Ariel Oliver Gleizer, Maximilian Damm.

Item: The minutes of the previous meeting were unanimously approved as distributed.

Item: Last year, CRAF sent a proposal to Rome's City Hall to adopt the Fontanella dell'acqua Angelica in Piazza delle Vaschette; the project consisted in the restoration of the Fountain and the development of non-profit activities related to art in the square. As the Foundation hasn't received a response approving or denying its proposal, Guillermo calls the meeting to discuss if and how this uncertainty impacts the Foundation 2020's calendar of activities, and whether the project can be maintained or should be suspended. After a discussion about the plans for this year, the board agrees that CRAF will try for about a month or two but it looks like it must be suspended for now.

Item: There being no other business, the meeting was adjourned at 5:00PM.
