Minutes for the continuation of the Artisan Map Project meeting

June 3rd, 2021. At 4:00 PM, the meeting was called to order. Present were Guillermo Ariel Gleizer, Ariel Oliver Gleizer, Maximilian Damm.

Item: The minutes of the previous meeting were unanimously approved as distributed.

Item: Guillermo calls the meeting to discuss the next phase of the CRAF Artisan Map Project. In its first phase, the team of the foundation did extensive research to identify the best and most traditional artisans in Rome. Now we are moving on to the stage where the object is to contribute to these roman artisans and therefore we will do research on potential intermediaries and connections between them and their ultimate users. That is, we will do research on curators, auction houses, art consultants, etc., that may be interested in these artisan's work. The CRAF Board approves the idea and agrees to offer this service for free for at least two or three years.

Item: There being no other business, the meeting was adjourned at 5:30PM.
