Minutes for CRAF Branch in Padova Meeting

August 19th 2021. At 4:00 PM, the meeting was called to order. Present were Guillermo Ariel Gleizer, Ariel Oliver Gleizer and Maximilian Damm.

Item: The minutes of the previous meeting were unanimously approved as distributed.

Item: To expand the Foundation's work on the classical tradition and its reverberations, the foundation proposes to open a new branch in one of the oldest University cities, Padua. Located in northern Italy, Padua is historically a city of encounter between Western and Eastern cultures, and the basic "backoffice" support for the "Serenissima", Venice as the port and center of medieval and later times. Its role as center of cultural exchange remains alive and visible not only in the city's art and architecture, but also in its many legacy customs and activities. With this new branch, CRAF expects to contribute to a new stage in the classical arts and knowledge. The board approves the opening of the CRAF branch in Padua and authorizes the search for a suitable place for the foundation.

Item: There being no other business, the meeting was adjourned at 17:20 PM.
