***Minutes for the Adoption of Piazza delle Vaschette Meeting***

**September 5th, 2019. At 4:00 PM**, the meeting was called to order. Present were Guillermo Ariel Gleizer, Ariel Oliver Gleizer, Maximilian Damm.

**Item:** The minutes of the previous meeting were unanimously approved as distributed.

**Item:** The City of Rome has a program for recovery and restoration of its cultural heritage (fountains, archaeological areas and monuments) through acts of patronage. Guillermo suggests that CRAF could join this program, adopt one of these public spaces and develop non-profit activities related to the promotion of art there. CRAF could restore the Fontanella dell'acqua Angelica in Piazza delle Vaschette, Borgo District. This fountain needs to be cleaned, restored and illuminated. The work that needs to be done and the estimated costs are determined and described by Rome's City Hall. The board approves the idea and authorizes the CRAF application for the adoption of the piazza and the fountain.

**Item:** There being no other business, the meeting was adjourned at 5:00 PM.
